Ladies and gentlemen,

we would like to thank you for your inquiry regarding Article 33 of (EC) regulation no. 1907/2006 (REACH). Regarding your inquiry please see the following information:

At Bosch ST, we are highly committed to implementing the REACH requirements in close cooperation with our suppliers. This means that our customers can be certain that we fulfil our statutory obligations.

Based on the current information available, we assume that our products do not contain any materials included on the current candidate list (as per 19-Dec-12) that are over 0.1 mass percentages. We will immediately inform our customers as soon as any new relevant information regarding this comes to light.

The above information is provided to the best of our knowledge.

Yours sincerely

Bosch Sicherheitssysteme GmbH
